Getting Back To Normal

It is an exciting time at the Lake Winnepesaukee Sailing Association. Everyone is hopeful that the coming summer will be filled with a return to normal. After several years away, let's all plan on spending much more time at the LWSA with family and friends, rekindling old relationships, and creating new ones revolving around boating on the lake.

The Sailing School Registration process is fully underway with classes, lessons, and outings filling up, so please be sure to get your spots soon at <https://www.lwsa.org/sailing-school>. In addition, things at 25 Davis Road are coming to life as we uncover, clean, and get boats ready for the coming sailing school season. The moorings are in and waiting for our keelboats to swing in the wind on Smith Cove and the grass is already greening up as a sure sign of things to come. We are also delighted to have a new Executive Director on board to run our programs this year in Tim Nolan. Be sure to read Tim's profile below.

Everyone is gearing up for the first week of Thursday night J80 racing and PHRF Racing is not far behind, so check out the details in the sections below along with the full schedule of activities. We are always on the lookout for people to lend a helping hand to keep our sailing community strong such as:

- Volunteering for our spring workday: May 14 at 9:30 A.M., 25 Davis Road Gilford
- Helping to organize our June 25th cookout where all are welcome to come and enjoy the company of others interested in boating on our great lake
- Helping with maintenance of our fleet and buildings
- Helping to build a youth racing program with travels to off lake regattas
- Help with website maintenance, marketing, advertising, public relations, social media. You don't have to own all of these, but if you could help in one aspect it would be appreciated.

If any of these interests you, please contact Jay Norden at 413-537-7699 or by email at jnorden@lwsa.org. In addition, we are always looking for new members to join our ranks and for old friends to renew their membership. Everyone is welcome to join and the cost for the annual membership is only 50 dollars. You can begin a new membership, or renew, by accessing the following web page on our site:

This is why we are here

Meet Our New Executive Director

All of us at the Lake Winnepesaukee Sailing Association are thrilled to introduce our new Executive Director, Tim Nolan. Tim is a lifelong sailor with a passion for teaching and sharing his knowledge with the next generation. He is a certified dingy and keelboat instructor. A New Hampshire native, Tim learned to sail on Winnepesaukee and enjoyed summers sailing at LWSA in his youth. He spent many years coaching and sailing in Utah in a unique high desert environment. One of his proudest moments as a sailor so far has been coaching Veterans in the Warrior Sailing program. Please welcome Tim as he begins his new adventure, we are confident that he will take the LWSA to new heights.

J80 Fleet One and PHRF News

After what seems to have been a long winter and cold spring, so far, everyone is ready to get back on the line and put their skills to the test. Much of the J80 fleet has been up at White Mountain Fiberglass being fine-tuned and many of the PHRF Fleet are already in the water. There are a multitude of events to participate in again this year with the LWSA and the Winnepesaukee Yacht Club (see full schedule of events below).

Dave Stowe will be back heading up the J80 Fleet again this year with the launching of the fleet taking place on Friday May 6 at Fay's Boatyard. The first evening of racing will take place on Thursday, May 12th. We are excited to announce that several major J80 events will be taking place in the northeast this year beginning with our own J Jamboree here on Lake Winnepesaukee on August 27 and 28, followed by the J80 East Coast Championships in Marion on September 9,10, and 11, The North American Championships in Newport on September 23, 24, and 25, and culminating with the long awaited J80 World Championships in Newport on October 4-8. For more details on this year's J80 fleet please get in touch with Dave Stowe at davestowe@lwsa.org.

J80 Glory on Winnepesaukee

The PHRF fleet will be holding the traditional events sponsored by the LWSA including the Spring into Summer Regatta on June 11, and the Labor Day weekend events including the Frying Pan double handed race on September 2nd and the Labor Day Weekend Regatta on September 3rd. Also, don't forget the great events put on by the Winnepesaukee Yacht Club including the JBT Race and Auction on July 16, the WYC Commodore's Cup on September 9,10, and 11 as well as the WYC Cold Duck Race to end the season on October 9.

Finally, we are looking for J80 skippers to volunteer to go out sailing with Camp Resilience and Veterans on June 3rd and September 16th. If you would like to help with those events, please contact Jay Norden @ 413-537-7699.

Donated Boats Keep the LWSA Strong

As a non-profit organization, the LWSA is fortunate to receive a variety of donated boats from many generous supporters. Occasionally we can use these boats in our youth sailing program, but more often we sell them to help benefit the youth sailing
