Youth Racing Club		Unfortunately Race Club will not be able to take place in its usual format this summer. Due to some staffing constraints, we will not have the coverage to run Race Club in parallel with our normal youth camp classes. However, our goal is to schedule some racing clinics and opportunities for learning and practice in a new format, so we encourage all students who are interested in racing to "sign up" by registering for the Race Club at no cost. We will work on structuring our offerings moving forward and keep everyone who registers up to date on what we will be able to offer. Thank you for your understanding!
