A Publication of The Lake Winnepesaukee Sailing Association

Winnepesaukee Racing- an Overview

by Don Sibson

The Rear Commodore, hopefully, packaged a great season of racing. To make it even better I have included a questionnaire which can be found elsewhere in this issue, which will give us your input to improve the racing even further. Below is an overview :

Laser Series: Scheduled on Wednesday evenings for anyone young or old who would like to join the fun. The LWSA fleet of boats will be available for use to members of the LWSA on a first come first serve basis. The members of the LWSA Youth Sailing Club will have first option on the boats as this time will be used as a coaching time for the club.

One Design: Open to any two boats of the same class on Thursday evenings. Great opportunity to practice and further perfect your starts, mark rounding, crew coordination etc.

WYC Evening Series: Virtually every Friday Evening, with a 6 PM start. Join the rest of the racers at 5 PM for a beer and quick skippers meeting.

Spring Series: Scheduled for virtually every Sunday with a 1230 start. If the enclosed questionnaire indicates considerable interest in an earlier start and of course, an earlier finish, we could change the start time. We have redesigned the courses to minimize the waiting time between races; thereby, permitting at least three races versus the normal two of last year.

Continued Page 4

Almost anyone can be ahead in one design racing at one time or another.

Changes Announced for Michelob Cup

Two significant changes have been announced for the Michelob Cup Regatta. This traditional Memorial Day event has been one of the premier events for lake sailors for many years and, the 1994 edition promises to add a new dimension to this and perhaps other future competitions.

The traditional PHRF racers will be joined by members of the area Hobiecat fleet. The Race Committee will arrange a separate start for the catamarans who will launch from the shores of Ellacoya State Park

LWSA to Host Regional Leiter and Smythe Cups

By Sandy Mackey

This year the LWSA has been selected to host the regional championships for the Leiter and Smythe Cups. These two championships are the first steps for a Junior sailor toward a national championship.

What is the Leiter Cup? The Leiter Cup is designed for junior women between the ages of 13-18. The ladies will compete in radial rigs on Lasers. The junior women who will be competing at the LWSA championship will come from around the MYRA (Maine Yacht Racing Asso-

One Design Corner

by Ken Browne

This year, J/24 Fleet 140 would like to invite any and all LWSA one design sailors of boats over 20 feet to join in Thursday Night Racing off Welch Island. J/22, J/24, J/27, Capri 22 and 25's, Puddlejumper 30's, Melges 24's, come out and enjoy the purest form of sailboat racing where the skill of the crew determines the outcome instead of a slide rule. Thursday evenings on the lake offer the advantages of significantly less motorboat wake, steady evening breezes, the chance to get in some quality racing without dedicating an entire weekend on the race course. Get that 'ol buddy' with the same boat that thinks he's twice as fast upwind and put the fiberglass on the triangle for a strategic match race. Improve you speed, boat handling, and racing tactics in the real time format of one design racing. It doesn't matter what type of boat you sail as long as there is a minimum of two boats in your class, spinnaker or non-spinnaker. Racing begins promptly as 1800 southwest of Welch Island on May 19th. A \$25.00 fee payable to the LWSA (chase boat fuel) is all that's required for an entire season of summer evening races. (60 races were run last summer) For a copy of the Thursday Racing Sailing Instructions contact me at H778-1720, Ed Philpot H527-0932/B528-2900 or Mike Weisburg at Fay's BY 293-8000. We look forward to seeing lots of new faces out on the lake for great racing this summer

Leiter, Smythe Cups

continued from page 1

ciation) district, of which the LWSA is a member. The MYRA area encompasses Maine, New Hampshire and Vermont. The LWSA championship will be held on July 9, at the WYC. The winner of this championship will go on to Bristol, RI on July 25,26 to compete in the Area A Championships. The winner of that competition will then represent Area A at the national US Sailing/Rolex Leiter Cup in Rochester NY, August 5-9.

What is the Smythe Cup? The Smythe Cup is open to all juniors between the ages of 13-18. This is a single-handed Laser race. Each club within the three districts, (southern, central and eastern) of MYRA will have an elimination race. The top three winners from each club will be sent to the regional championships. The LWSA will be hosting the southern area regional championship on July 16-17 at the WYC. The top four winners from each region will then compete for the State Championships on July 28,29. The winner will then compete at the Area A Championship in Newport RI on August 1,2. The final winner will represent Area A at the US Sailing Rolex National Championship at Charleston, SC August 11-16.

What does this mean to the LWSA? This allows us an opportunity to participate for the first time in a Junior Racing event which will eventually culminate on the national level. Juniors from all over the northern New England area will be coming to our lake to compete and share in our sailing experience.

What do we need? In order for this to be successful we need help. One person, or a small number of people can not do it all. There are kids to feed and possibly house, we need race committee boat crews, judges, someone to handle publicity, sponsorship and the list goes on. What do we need? We need is YOU!

This is an opportunity for you to work with a great group of people

who all share in the love of sailing and can help promote sailing to the young people who will be there to compete. Here's an opportunity for you to help out and not tie up your entire summer. We will be having a brainstorming meeting on Friday, May 27th at 7:30 PM at Fays Rec Room. Please come and bring your ideas for making these championships successful. We hope to see you there. ⚓

AS UNCLE SAM WOULD SAY "WE NEED YOU!"

To help us make the regional
Leiter and Smythe Cup Championships
Successful

Instructors for Youth Sailing Lesson Program are Announced

by Sandra Mackey

I am very pleased to announce that after a great deal of searching and interviewing the Youth Sailing Committee has found two new instructors for our Youth Sailing Lesson Program.

Our Head Instructor, will be Carter White. Carter comes to us from the Portland Yacht Club. He has grown up in the Portland Yacht Club sailing program and has gone on to compete in three national championships. He has competed in numerous regattas along the east coast and has attended a number of Junior instructional seminars, some of which are by invitation only. In the Fall, Carter will be attending Hobart College in Geneva, NY, where he will be a member of their sailing team. In addition to being our Head Instructor, Carter will also be the Coach for our Youth Sailing Club. Carter has competed actively in 420's and Lasers.

Our Assistant Instructor, this year will our very own Philip Kannegsburg.

As many of you know, Philip has gained most of his sailing experience right here on our lake by sailing Time Bandit, a J27 with his family.

Both Carter and Philip will be attending the USSA Instructors Seminar in Portland, Maine during June at which time they will become certified sailing instructors. We are very pleased to have both Carter and Philip join our program and we're looking forward to a great sailing season. ⚓

Register Now for the 1994 Youth Sailing Lesson Program

Registration for the 1994 Youth Sailing Lesson Program is underway. The program will be run very similar to last year's program. We will have four, two week sessions with morning and afternoon classes. If you are interested in enrolling your child, contact Diane Destrempe as soon as possible. Classes are filling up very quickly this year, and registrations are limited! ⚓

Winnepesaukee Racing

Continued from page 1

Regattas: Three Big Regattas — WYC Commodores Cup, Wolfeboro Corinthian, and LWSA Labor Day Regatta. All are great fun, please join us for weekends of good food, drink, and camaraderie.

Cats and Dogs: In addition to the above, the following races are also offered which are great fun:

Michelob Cup - Reverse start, PHRF, island race.

Jimmy Fund - PHRF sponsored by WYC. Usually an island race.

Cold Duck - The finish to a great season. Good race and good rum.

Please return the enclosed questionnaire via return mail as soon as possible. ⚓

LWSA Questionnaire

Dear Member or Potential Member,

In our continuing effort to improve the quality of sailboat racing, the LWSA Race Committee is soliciting your thoughts and ideas which will improve the quality of racing on Lake Winnepesaukee. Therefore, please take a moment to respond to the questions below. Your input is needed as we design the racing season.

1. Name (optional) _____ Skipper/Owner/Crew member. Please circle the appropriate response (s).

2. Type of Boat (e.g. J-24) _____

3. Do you plan to race this season? YES NO If YES, do you plan to participate in the JAM (JIB & MAIN) or the SPINNAKER CLASS? Please circle the appropriate response.

If your answer is NO and if there is something we can change which will cause you to reverse your decision, please discuss in the space below. For example, would a seminar dealing with starting rules and tactics cause you to change your mind?

4. Would you prefer weeknight or weekend series races or would you participate in both if offered? Please circle your preference (s). Weeknight Weekend Both

5. What start time would you prefer for series races?

1030 _____

1130 _____

1230 _____

Other _____

6. What finish time would you prefer?

1430 _____

1530 _____

1630 _____

Other _____

7. Do you feel that the series-regatta mix is OK or would you prefer more series or more regattas?

A. OK

B. More Series Races

C. More Regattas

8. If you are not planning to race due to a lack of crew, would you race if crew were provided from an LWSA pool?
YES NO

9. Do you prefer racing around islands or marks?

10. Would you participate in an LWSA Ski Meet if one were offered toward the end of the 94-95 Ski Season?
YES NO MAYBE

11. Please add any additional thoughts, ideas, constructive criticism, or anything you wish in the space below.

Please return the questionnaire to: Don Sibson, ~~1000 Lakeside Drive~~, Gilford, NH 03247
LWSA, PO Box 7047

Thanks very much,

Don Sibson, Race Chairman

1994 Youth Sailing Registration

I wish to register the following student for the Youth Sailing School:

Student: _____ Age: _____

Parent or Guardian: _____

Address: _____

City/State/Zip: _____

Home Phone: _____

Parent Work Phone: _____

I am interested in the following sessions: (check)

	<u>8:30 - 12:00</u>		<u>1:00 - 4:30</u>	
July 4 - July 15	_____	(Level 1) (ages 8-11)	_____	(Level 3)
July 18 - July 29	_____	(Level 1) (ages 12-16)	_____	(Level 2)
Aug. 1 - Aug. 12	_____	(Level 1½)	_____	(Level 2 & 3)
Aug. 15 - Aug. 26	_____	(Level 1)	_____	(Level 2)

Note: The sessions are open to children between the ages of 8 and 16. Classes meet Monday through Friday.

Registration is on a first come, first served basis. The cost of each session is \$120.00 paid in full by June 20th. All registrations paid in full prior to June 1, 1993 will be entitled to a \$20.00 discount. Please make checks payable to: LWSA Youth Sailing Program

and compete in their own class. This is a perfect event for these two groups of sailors to join together.

But that's not all. The event sponsor New Hampshire Distributors has announced that this year's beneficiary of this fund raising event will be none other than our own organization the LWSA. This for the purpose of strengthening our Youth Sailing and other activities. We very much appreciate the continued support of this fine organization. They are true friends of the sport of sailing.
